## EVENT TYPE

Corporate Golf Day

## EVENT OBJECTIVES

Corporate entertainment.

## EVENT EXECUTION

Natalie Logan handled our enquires and was efficient and effective in understanding and satisfying our requirements. These were for two Golf Days with similar formats for two companies that I am involved with. I chose the venue on location, course design and layout. Luton Hoo also offers the 'Wow Factor' when driving up to the course.

## EVENT RESULTS

The venue looked after us well and the course played nicely on both days. All in all it was a pleasant and enjoyable experience.
