“From start to finish, everything about my Baby Shower was perfect. I didn’t want to be too stressed with the planning side of it and Janet and the team were wonderful and helped with every little detail.

On the day everything ran so smoothly. There were a few of us who were pregnant and we were especially looked after by the staff. I can’t wait to come back with my new-born son and husband!”

Minimum of 15 guests. Maximum 3 hours.
