THE COUNTRY CLUB

LUTON HOO HOTEL, GOLF & SPA

WELCOME TO THE COUNTRY CLUB AT LUTON HOO HOTEL, GOLF & SPA

Housed within the wonderful setting of the historic stable courtyard, designed by the 18th century architect Robert Adam, the Country Club provides all the elements for a truly memorable experience.

Luton Hoo's golf club, a luxurious spa and heat therapy suite, gym, tennis courts and all-day dining reside within the courtyard. Opportunities to explore the estate by bicycle and arrange clay-pigeon shooting on site are also available.

DINING

ADAM'S BRASSERIE

A delicious menu is on offer for lunch and dinner in the relaxed atmosphere of Adam's Brasserie. The adjoining Adam's Bar provides a charming backdrop for a pre or post dinner drink.

THE 19TH BAR

The 19th bar invites guests to enjoy a 'light bites' menu and a selection of hot and cold beverages throughout the day. This is a favourite amongst golfers and spa guests.

COURTYARD DINING

Eating good food outdoors with friends and family is one of life's finest pleasures. On warm summer evenings, the Country Club courtyard is the perfect spot to dine al fresco.

Both Adam's Brasserie and the 19th Bar offer outdoor dining and every Friday in July & August we host a Summer BBQ.

GOLF

A seamless blend of historic parkland and inland links

In its history, there had only ever been a Victorian nine-hole course on the Luton Hoo estate, so it came as a design challenge to create what is, one of the longest 18-hole golf courses in the UK at 7,107 yards, while simultaneously preserving the beautiful Grade 1 listed parkland in which it is situated.

The outcome is an immaculate course with a series of subtly challenging landscapes including six holes with water features offering a formidable test management to the most accomplished golfer, while remaining an enjoyable challenge for the less experienced player.

The front nine offers a unique inland links feel whilst the back nine meanders through the estate's mature parkland.
