

The Hoo To-Do List for Children!

Welcome to Luton Hoo Hotel, Golf & Spa!

We have so many fun things for you & your family to do that we know you'll have a brilliant time.

Explore! We have a lot of land on our estate for you to go on an adventure. Maps with walking trails are available in your bedroom or at reception. Maybe you will discover our secret rock gardenbut ssshhh! Don't tell anyone!

Cycle! If you want to get around a little quicker, why not borrow a bike from the Spa reception and whizz through the woodlands! We will of course give you a helmet to keep you safe, but please look out for other cars, bikes and people around you.

Family Swim Time! Take a break from exploring and enjoy family time in our swimming pool, open every day for children from 9.00am until 11.00am and from 3.00pm until 5.30pm. We will be sure to have lots of great toys and floats for you to play with. Tip: Your goody bag is great for storing all your swimming gear.

Sports & Games! Is the sun shining? We have tennis courts and croquet lawns for you to play outside with your family. If the weather isn't good, bring the fun inside! We have a selection of board games and DVDs available, just ask at reception.

Evening Treat! After a busy day of exploring, swimming and playing, we will bring you a glass of cold milk and a cookie to help you relax for the night. This can be delivered between 5.00pm and 6.30pm, just ask your parents to let reception know if you would like it.

Playroom & Activities! If you are staying during a school holiday, our playroom will be open!* This is full of arts & crafts, books, games, toys and films. There will also be a plan of activities everyday with the leisure team such as tennis games, golf lessons and kite flying.

Out & About! We have so many cool places to go in the area if you are going out for the day. Why not visit some rhinos, lions, elephants and monkeys at Woburn Safari Park or ZSL Whipsnade Zoo. Are you a fan of the world of magic and wizardry? We aren't far from the Harry Potter Studio Tour! Just down the road you can even play football golf at Stockwood Park.
