*Our story...*

## Planning our big day

*We were engaged for 1 year and 4 months before the big day. We invited 38 guests for the entire day and 45 for the evening (adults and children). We had no wedding planner, it was easy doing it myself as Luton Hoo (Victoria at first and Janet later) were just amazing with all the organisation! Knowing that the hotel is already stunning on its own, we felt that a theme was unnecessary. We decided to go with soft / pastel coloured flowers.*

## Why Luton Hoo?

*It was love at first sight, we entered and were sold immediately.*

*Our day felt very unique, considering the Royal wedding of Meghan and Prince Harry was on the same day. It was an unbelievable feeling, most of all I was in the moment and just felt absolutely blessed that I was going to spend my life with the man I love. We both felt relaxed and just extremely lucky.*

*The morning was nice and relaxed, we had our ceremony at 1:30pm, followed by Afternoon Tea on the terrace (it was a beautiful day). We had The Ozones (an acoustic band) during the Afternoon Tea.*

*Having a little break between 5-6pm where all the guests were able to change and freshen up made it perfect for the evening reception to start in the room where we had the ceremony, followed by dinner, cake, candy table and dancing in the "church" of Luton Hoo. We had the DJ called New Decade and our first dance was Anita Baker – Sweet Love.*

### *Favourite memory?*

*The moment where everybody was sat down for dinner and the Master of Ceremonies announced our arrival as a married couple. A moment where we both realised that we truly got married and were just overwhelmed with pure love and happiness.*

### *The wedding of our dreams*

*We as a couple were most impressed by Luton Hoo and all the staff, they have made our weekend completely stress free and full of love, from the menu tasting until the very last day. Just amazing. We went back to Luton Hoo for our one-year anniversary and we both fell in love all over again. It will be our yearly treat and reminder of the wedding of our dreams!*
